

THE BALD EAGLE REPEATER ASSOCIATION.

April 4, 1979.

The regular meeting of the Bald Eagle repeater Asssciation was called to order by the president Mark Cohen at 7:15 PM at the J & M Communications Center. There wape four members present, they were Mark Cohen, Bob Shearer, Don Cook and George Waddell.

Bob Shearer said he had applied for the frequency 146.34/146.94 from the repeater co-ordinator. Should have a report on this by next meeting. Bob also said he is ready to put the repeater on the air as soon as he gets the Duplexer, Bob said he also has the tower, now we need a work crew to help put it up.

John Cooper came in to the meeting at 8:05 He did not have the books with him, so there is no treasurers report this meeting.

An agreement between Marshall Welch and the Bald Eagle Repeater Association was signed by the members present. The Secretary was requested to type up an agreement or note between the Association And Marshall Welch.

Motion by Don Cook to adjourn second by Bob Shearer, approved The meeting was adjourned at 8:30 PM
