October 24, 1979.

The regular meeting of the Bald Eagle Repeater Association was called to order by the President, Mark Cohen at 7:20 PM. The meeting was held at the home of Mark Cohen. There was no reading of the minutes of the last meeting as Secretary did not have the records with him.

The treasurer reported a balance of \$121.01 in the treasury. Mark Cohen asked for suggestions as to raising money for the next couple of months. Discussed was pro-rating membership dues to offset some of the expenses. It was also pointed out that we must make an effort to pay Marshall Welch. Approval was given to use the repeater for the RACES/AREC net in the event of a failure of the 13/73 repeater. Robert Shearer gave a talk on the system as it now works, he did some revamping, the system now has a 2 min. 11 second time-out. Bob also said that RF must be fed into the system or it will dump everything.

Robert Shearer is going to check on the Lycoming Mall to set up a booth to sell donations on a basket of cheer, or a TURKEY. Each member is to donate a bottle of cheer for the basket the association to purchase the rest. It was suggested we hold a sale three week-ends (Friday & Saturday). It was suggested that the tickets be sold for \$1.00. They are to be printed with the words no sales to persons under 21 years of age. Mark Cohen also said we should get some literature on ham radio to hand out.

After a very pleasant evening the meeting was adjourned at 9:00 PM.

George R. Waddell. Rec. Sect.
