

Page Minutes of B. E. R. A.
Meeting Nov. 6, 1990

Meeting was called to order at 7:30 P.M. by Bob Shearer. The Minutes of Meetings held on March 13th and March 27th 1990 were read by the Secretary, Jen Gray. They were approved as read.

Under Old Business Bob reported on the Repeater building progress to date. New siding has been placed on the building and was painted. Another coat of paint will be needed later. Also a couple of new sheets of siding will have to be added where the Fox cupines have been chewing. The building has been cleaned up and the property cleaned. It was also stated that the tower has not been required at present time.

Under New Business it was stated that the roof must be repaired and that the Repeater should be pulled soon with some work done on it. Bob felt that a couple of weak capacitors had replaced.
