February 18, 1993.

Page 1

A Meeting of the Bald Eagle Repeater Association was held Thursday evening ~~at~~ February 18, 1993 at the home of Bob Shearer. Bob Shearer called the Meeting to order at 7:10 P.M.

There was a general discussion on the idea of having an Electronic Flea Market to be possibly held at the Lycoming Mall Community Room. Or another suitable site at the Mall.

All Members present expressed their approval of the idea. It was generally agreed that good merchandise would only be accepted to be sold. No "junk" <sup>or old</sup> Post Anchors. The Committee will look into this further for a date & time to be announced when a site has been approved.

Bob stated that a Pre-selector should be put on the repeater to eliminate the interference from Paging & CAT frequencies. Before investing in a new one Bob stated he would check out Ham Fest for a suitable unit.

Bob B. stated that the duplexers being used with the repeater presently are about 10 years old and have been tuned once in that time. New duplexers would cost approximately \$50. and the club should ~~in the~~ future think about replacing them, in the near future.

Bob stated that a second repeater was now available and was fully operational for a backup.

Bob stated that a work day should be scheduled when weather warms up, to do some tower work which needs re-surveyed and the Building at the Repeater site also needs painted.

The <sup>Emergency</sup> Batteries at the repeater site need to be replaced. On a motion by Alan Wheel to buy (2) Marine Batteries as replacement was seconded by Jim Thomas. And the motion was approved.

Bob B. stated that the Pre-Amp had been ordered for the repeater.

The Minutes of the last meeting held Sept. 17, 1992. were read by the Secretary, Ken Frey. And were approved as read.
