A discussion on the continual interference on the club repeater was discussed in detail, the Civil Air Patrol could be some of the cause, also atmospheric conditions could be a factor, Bob stated that he was going to place a Helical Resonator in the repeater and that this would hopefully help with the interference.

Bob stated that the old Emergency Batteries are still being used and that buying new ones are temporarily on hold for the time being, there was a possibility of getting free ones. The Emergency Battery situation was discussed in detail by the group.

It was briefly brought up about By-Laws and it was generally agreed to keep the club status as is without By-Laws.

John Sander stated that a local pack group was being formed, called the West Branch Pack Association and that anyone interested could join the group, and that input and financial contributions would also be welcomed.
