A meeting of the Bald Eagle Repeater Association was held on Sunday Evening June 13, 1995. At the home of Bob & Peg Shearer R.R., Montoursville, Pa.

The meeting was called to order at 7:15 P.M. by the President, Melvin Bennett. The Minutes of the previous meeting ^{April 18, 1995} were read by the Secretary, Ken Key and they were approved as read on a motion by Bob Shearer and recorded by Ken Hall.

There was no Treasurer report given. Ken Hall the Club Treasurer was unable to attend tonight's meeting. Bob Shearer reported that the new door was purchased and has been installed on the Repeater Building. Also a lock set with dead Bolt was also installed. Bob stated that a side mounted external had been installed and with initial test made it showed about 9 dB less than top internal. Bob stated that with warmer weather the noise problem is not as bothersome it seems to be worse during colder weather. Bob also stated that the Repeater Controller has not enough audio

And is working on a circuit that will hopefully correct the problem.

Bob mentioned that he tried to sell the UHF Spectrum Repeater at the Wingfield Ham Fest with no takers. He said he would place an ad in the Ham Trader. The asking price is \$600.-

Melvin Burnett mentioned that the tower site for FM Station WGR 99.9. The Bear Station has made available the use of their tower site. A very lengthy discussion was made on this issue and it was generally agreed that it could be used for a link between the .09 repeater for receiving purposes. Bob said that he would give this alot of thought and that the idea sounded very worthwhile.

There was also alot of discussion on new directions for the Club, to help increase membership. And to also project more interest with the Club & Repeater. A Club House site was discussed in detail.

Ken Gray stated that he is working on the By-Laws for the Club.
