Minutes of Meeting

August 8, 1995

Meeting of the Bald Eagle Repeater Association was held on Tuesday evening, August 8, 1995. The meeting was called to order at 7:10 P.M. by Bob Zhearer. The President, Melvyn Pennell was absent from the meeting.

The minutes of the last meeting which was held on June 13, 1995 were read by the Secretary, Ken Vey. And they were approved with a couple of corrections as read. Jan Hall, the Club Treasurer reported a balance in the Club Treasury in the amount of \$687.55. Bob reported that the Repeater was sold to the Milton Ham Club for \$600.⁰⁰.

Bob stated that the Antenna at the Repeater site should be taken care of as soon as possible. Hopefully before cold weather. Bob stated that cold weather effects the present Antenna and causes noise on the repeater and should be replaced within a work day scheduled in the very near future. On a motion by Geoff Worcester to schedule a work day

August 8, 1995
On August 19th, 1995 at 9:00 A.M. was
approached. Anyone that can help out is
to meet at the Repeater site at that
time.

Bob reported that the Circuit
for the Controller he is still working
on.

Jan Hall reported that the scheduled
picnic for August 27th 1995 has been
cancelled for this year due to landscaping
work that is being done at his Q.T.H.

The tower site that has been available
to the Club for a link up was again
discussed in detail. And Bob stated
whether or not this would be feasible,
and how well it would work. Could not
be determined and this should be
tabled at the present time and discussed
again at a later time.

Bob states that N35U Ryan Gross
had requested space at the ^{club} repeater
site to put a repeater on the air
on frequency 147.205 +600 and would
have 25 watt output. This was
discussed with members present
in detail and on a motion by

Ken Greh, N3NUV to deny the request was seconded by Joyce Duer, WB3 ECT and the motion was carried with all present. Voting Negative.

Ken Greh, N3NUV states that he was still working on the Club By-Laws and hope fully would have more time in the future to work on them.

Gene Worrister, WB3 J9J Ask about the codes on Repeaters. Bob stated that they have been changed and only the Control operators can access the PL off & on. This was done because the Repeater was being abused with the other code system and was changed.

This ended all regular Club business and on a motion by Bob Shearer to adjourn was seconded by Ken Greh and the meeting was adjourned at 7:46 P.M. -
