1. Bell Barnes reported on Socket work at the Tower site and everything has been done to winterize it and that everything was in good shape at the site.

Under Old Business Bob reported that the Speed dial on the Bell telephone system in the very near future would be dropped and the Speed dial would be on the Controller. Number assignments would be 0 thru 31. Those numbers that are assigned from 32 thru 45 would be reassigned. Bob Sherris, N3AFX and John Cook, W3JVP will be in charge of this change over.

Under New Business Bob reported that he and Leg cleaned up the shack at the repeater site and everything is in order at the present time.

This ended all regular club business. And on a motion by Kent Peak to adjourn was seconded by John Rymel and was approved and the meeting was adjourned at 7:24 P.M.
